## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Northwood Middle continues to be a successful middle school with strong participation of parents through our SIC, PTA and numerous volunteer opportunities. The school's motto is "Northwood: A Community of Learners." The motto stands for our commitment to the school, parents and students all working together for the best interest of the students' academic success.

Northwood has completed its fifth year in the new facility. The impact of the facility can be felt in all aspects of our program. The school's technology was refreshed this year with all new computers. Every classroom has a Promethean Board and this includes the gym. We have three fully equipped computer labs and three portable labs. Northwood is also in its fifth year of its uniform dress code. This requires students to wear khaki short/pants with solid colored shirts. This has had a tremendous impact on the academic success of our students. An indicator of the progress of our students is shown with the school receiving both an Absolute rating and an Improvement rating of "Good" on the state report card. This has led to Northwood being named a "Silver Award" winning school for the third year in a row. From a behavioral standpoint, Northwood had the fewest number of disciplinary referrals of the eighteen middle schools in Greenville County for the 11-12 school year.

Northwood's academic achievement goals for the past year were based on the PASS Test. The goal called for a 79.6% of students to score Met or Exemplary in ELA and 76.8% to score at that level in Math. PASS results were not in yet to include in this report.

Northwood continues to have successful programs that serve students. Among these are the "Knights for Success" program, the Invention Convention, the History Club, the PTA Reflections contest, the Career and Mentoring program, and the career awareness/character education program funded by the Education Economic Development Act. Northwood also sponsors an award winning yearbook program. Northwood sponsors the National Junior Honor Society, the Student Council, various honor rolls. This includes the B.U.G. (Bringing Up Grades) Honor Roll. This recognizes and encourages students to always try to improve their grades. The school also sponsors the Northwood Knight program that encourages good citizenship and respect among students.

Northwood continues to strive for improvement for its students through our yearly self-evaluation Portfolio for Continuous Improvement model. Profession Development for the staff in the areas of implementing the Common Core Curriculum and improved communication with home continues to be focal points for our school.
